

Memorandum of Understanding (MoU)
between
Mustafa Kemal University
and
National Veterinary School of Algeria

Background

In order to promote the advancement of international understanding, academic excellence, dissemination of learning and strengthening cross cultural ties, Mustafa Kemal University and National Veterinary School of Algeria, share a desire to promote opportunities in international research and development, education for students, faculty and staff through an educational initiative that embraces the following objectives:

Purpose

In order to accomplish the objectives set forth in this MoU, both parties mutually agree to the following:

- This MoU is one of mutual cooperation in pursuit of objectives expressed herein, and nothing in this memorandum shall be construed as creating a legal relationship between the parties.
- In order to carry out the below-mentioned activities, a detailed plan including the financial matters may be agreed to upon consultation between the two institutions.

Content

Based on the principles of mutual benefit and respect for each other's independence, the two institutions will foster:

- a) Research and Development
- b) Student Exchange, for Study, Placement / Practical Training and Study Abroad Program
- c) Exchanges of Academic Staff

Financial Matters

A detailed plan including the financial matters may be agreed upon consultation between the two institutions during the planning stage of the activities. In general, the sending university pays the costs of the student or staff while the host university helps the student and staff about paperwork and finding a suitable accommodation. Scholarships from government bodies, university funds or other sources may be utilized upon consultation.

Commence and termination

It is understood that the implementation of this MoU will commence on the day of signature, and will continue thereafter for **five years**, subject from time to time to revision or modification by mutual agreement. Representatives from both institutions will discuss the terms of a renewal at least six months prior to the natural termination of the current MoU.
